About Me

Driven technologist with a bachelor's degree in Industrial Engineering and experience in WordPress technical support. Passionate about leveraging coding skills (React/Redux, Node.js, Express, APIs) and database expertise (MySQL, MongoDB, PostgreSQL) to build and optimize web solutions. Eager to learn and contribute in a challenging, full-time role that fosters growth and utilizes my diverse skillset.

Professional Experiences

Multilingual WordPress SEO Expert

2020 - 2022

Key responsibilities:
- Translate and optimize WordPress content for multilingual SEO
- Conduct keyword research and optimize site structure
- Build backlinks and manage SEO plugins for maximum reach
- Monitor analytics and refine strategy for continuous improvement

Automattic Inc | WordPress Technical Customer Support

2019 - 2022

Key responsibilities:
- Email support to Automattic's products – clients of WordPress.com paid plans
- Troubleshooting, investigating, and sending reports for full-time members.
- Sharing knowledge, tools, and tips to help team members in development and designs.
